TerraLUX®
Intelligent Lighting for the 21st Century™

TerraLUX® state-of-the-art LED products are nearly unbreakable, won't burn out, and significantly extend battery life. Quality, efficiency and durability make TerraLUX the professional's choice!

Upgrade to brilliant, efficient, dependable LED light!
TerraLUX offers LED Upgrade Kits to fit most models and sizes of flashlights & lanterns.

Hands-free LED ClipLight

- Small and lightweight, easy to take along
- Ideal for outdoor enthusiasts
- Perfect for the toolbox

To replace batteries:
Remove screw on back of ClipLight body and slide cover off. Note position of batteries before removing. Insert 3 new AAA batteries similarly.
Replace cover. Replace screw to prevent accidental separation of cover from case.
Do not mix old and new batteries. Do not mix alkaline, standard (zinc) or rechargeable (nickel-cadmium) batteries.
Dispose of batteries responsibly.
